Paperless company using CRM for Green Environment

ABOUT FIRE SYSTEMS

We're proud to introduce Fire Systems, a leading Fire and Safety Solution Provider in Gujarat, with 18 years of proven expertise in delivering complete safety solutions.

We Offer Solutions for Industrial & Commercial Market Segments

We are a well-established enterprise unit with a competent team of experts that provide affordable & high-quality support, tailored to proactively manage your unique security requirements.

Our experts provide comprehensive Turnkey solutions from Designing to Commissioning for Industrial & Commercial Segments for the following applications:

- *Fire Detection & Alarm System*
- *Fire Hydrant System*
- *Fire Extinguishers*
- *Gas Suppression System*
- *Fire Doors*
- *Cable Fire Protection*
- *Fire Retardant Paint*
- *PA Systems*

We provide AMC (Annual Maintenance Contracts) that are cost-effective, transparent & in line with your specific Fire Systems & Security needs. We are located centrally in Ahmedabad that enables us to cater to your interests almost anywhere in the country.

WHY CHOOSE US?

✓ We have a proven track record of delivering efficient security systems tailored to our client's requirements.

✓ Our security products are from trusted and reliable manufacturers, ensuring top-notch performance.

✓ Our team of security experts provides high-quality professional guidance & support from system installation till maintenance.

✓ Regardless of the scope of your project, we offer competitive pricing plans that fit your budget without compromising on the quality and effectiveness of our systems.

We support our clients right from Designing up to Commissioning, tailored to meet their requirements with optimal value.

We also provide well-integrated & transparent Annual Maintenance Contracts for all types of Fire & Security Systems.

PERFORMANCE

JOURNEY TO SUCCESS

2012 - Start

Founded in the year 2012 to provide Technologically advanced & Innovative Security solutions.

2016 - Growing

Performance driven approach & adaptability helped us provide value addition to clients.

2020 - Go Green

To boost efficiency and support a green environment, we've adopted a paperless CRM for better compliance and superior client service.

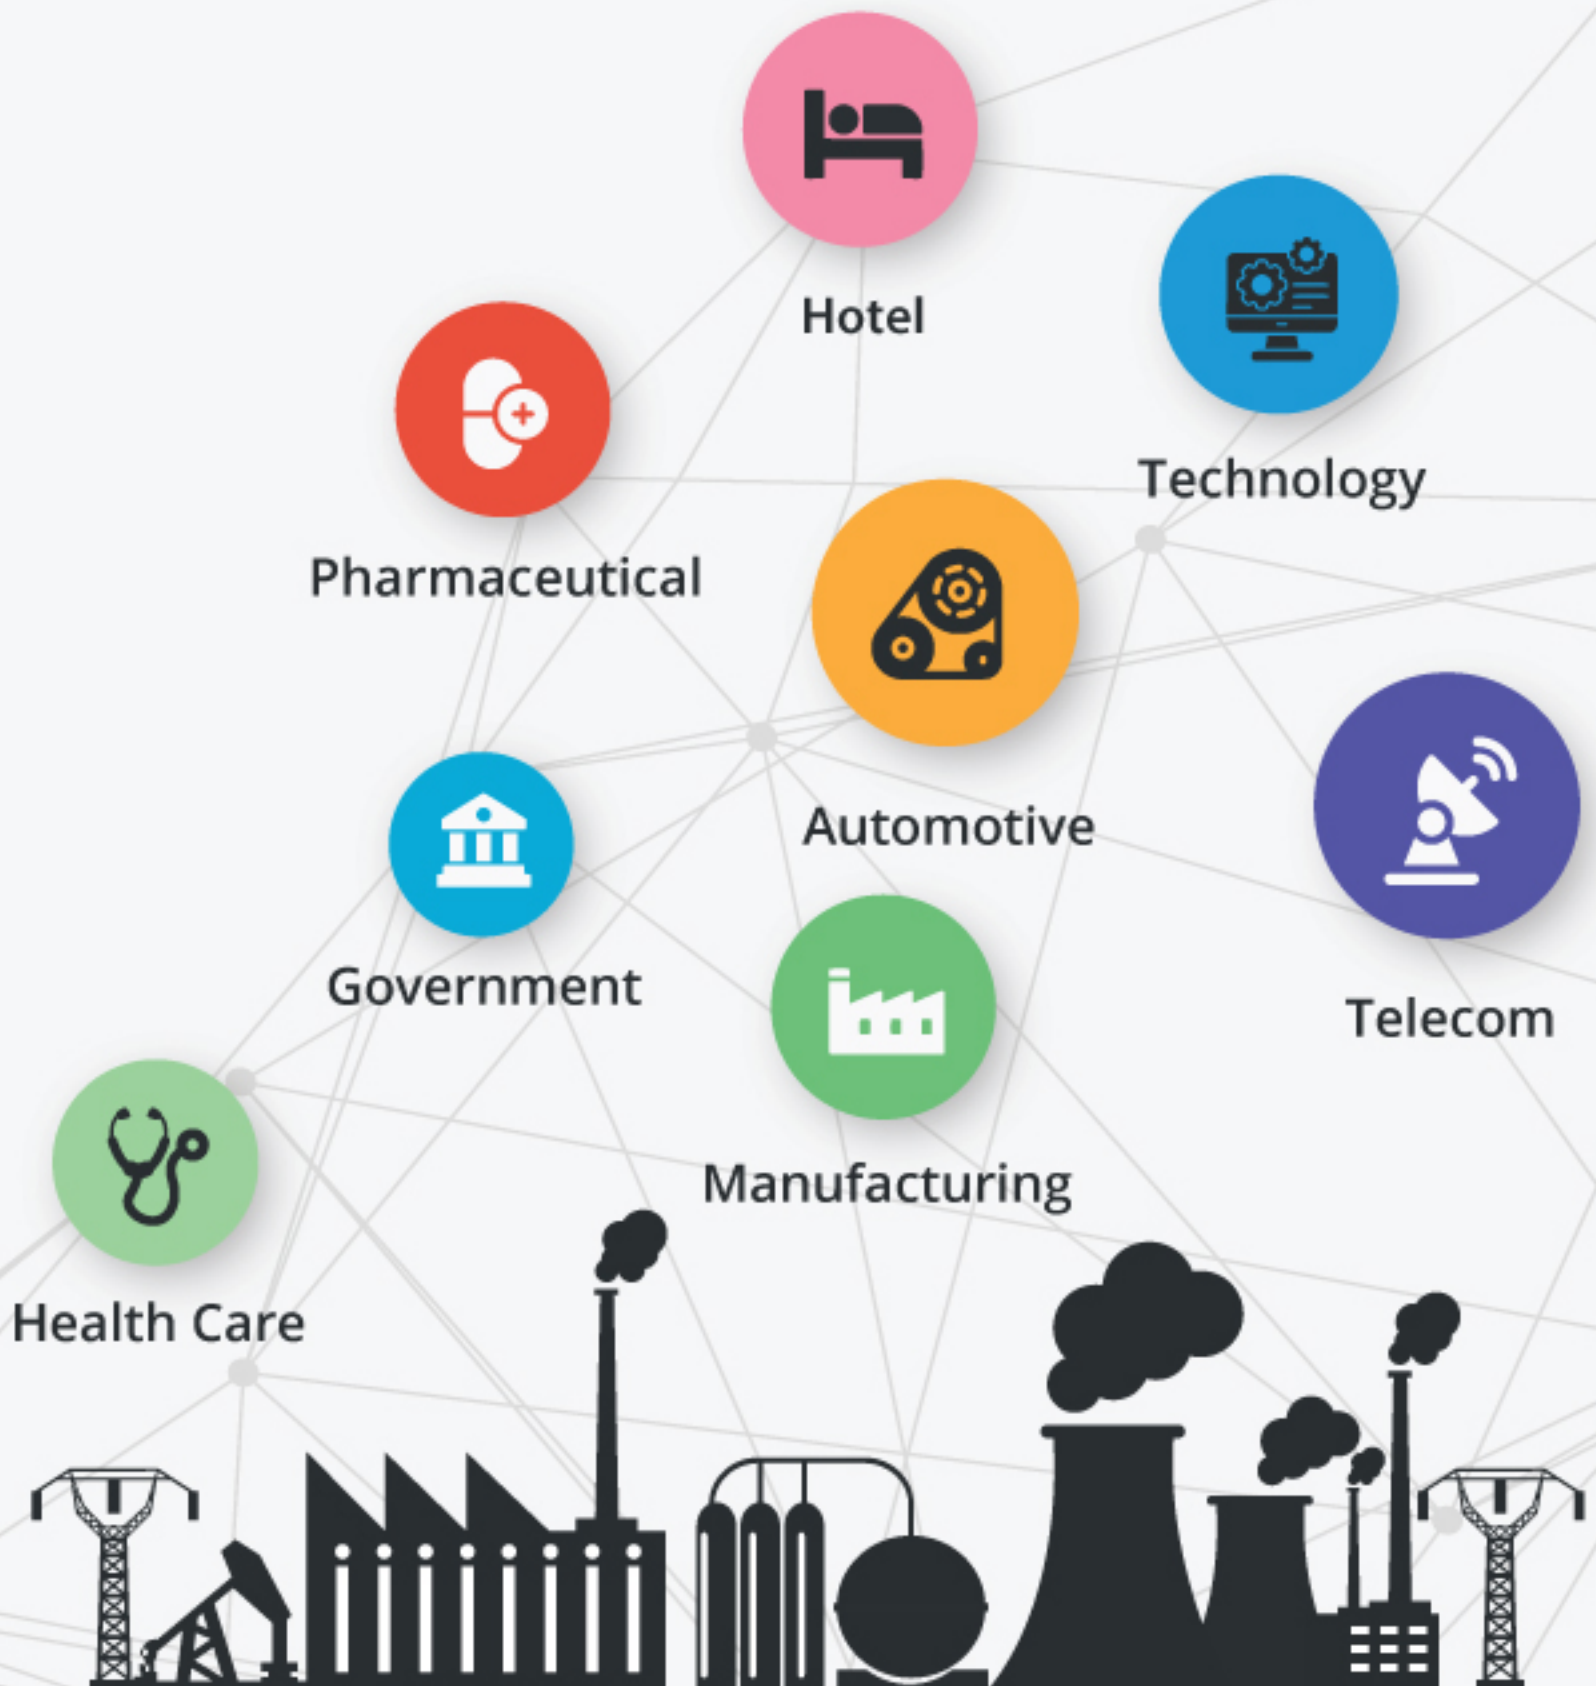

2021 - New Open

Because of our capacity to adapt to changing technology while maintaining our valued clients' individual needs, we've diversified into different sectors.

2022 - Success

Capitalizing on our Strong Customer portfolio, Technology & Concepts, successfully worked for more than 500 projects & clientele in all sectors. Became Authorised Partner of Honeywell Fire & Security Portfolio.

HOW **FIRE SYSTEMS** Influence Different **INDUSTRIES**
